

I Say A Little Prayer (LP)

[Diana King](#)

Say a little prayer for you,
Say a little prayer for you From the moment mi wake up
Before mi put on mi make up
Mi say a little prayer for you While combing mi hair now
Mi a wonder what dress me wear now
Mi say a little prayer for you Forever and ever
You'll stay in my heart and I'll love you
Forever and ever
We never will part how I'll love you
Together together
That's how it should be
Without you would only be heartbreak for me Mi run for the bus love
Mi ride and mi think about us love
Mi say a little prayer for you At work mi just take time
And all through mi coffee break time
Mi say a little prayer for you Forever and ever
You'll stay in my heart and I'll love you
Forever and ever
We never will part and I'll love you
Together together
That's how it should be
Without you would only be heartbreak for me Say a little prayer for you, mi a go say
A little prayer for you My darling believe me, for me
There is no one but you,
Say you'll love me too. Forever and ever
You'll stay in my heart and I'll love you
Forever and ever
We never will part and I'll love you
Together together
That's how it should be...
Forever and ever
You'll stay in my heart and I'll love you
Forever and ever
We never will part and I'll love you
Together together
That's how it should be without you
Would only be heartbreak for me
