

My Life Would Suck Without You

[Kelly Clarkson](#)

Guess this means you're sorry
You're standing at my door
Guess this means you take back
All you said before
Like how much you wanted
Anyone but me
Said you'd never come back
But here you are again 'Cause we belong together now, yeah
Forever united here somehow, yeah
You got a piece of me
And honestly,
My life (my life) would suck (would suck) without you... Maybe I was stupid for telling you goodbye
Maybe I was wrong for trying to pick a fight
I know that I've got issues
But you're pretty messed up too,
Either way I found out I'm nothing without you 'Cause we belong together now yeah
Forever united here somehow yeah
You got a piece of me
And honestly,
My life (my life) would suck (would suck) without you... Being with you
Is so dysfunctional
I really shouldn't miss you
But I can't let you go
oh yeah... 'Cause we belong together now yeah
Forever united here somehow yeah
You got a piece of me
And honestly,
My life (my life) would suck (would suck) without you 'Cause we belong together now yeah
Forever united here somehow yeah
You got a piece of me
And honestly,
My life (my life) would suck (would suck) without you...
