

What Hit You

Dwarves

It's not enough for murder though
Gonna hit you in the face, uh-huh
 It make ill, It make me sick
 Gonna hit you with a big stick
 You won't know
 What hit you
 You won't care
 I say it suck, my blood
 I'll hit your face uh-huh
 Don't you hear me sick ?
 Gon' hit you with a big stick
 A big stick for
 You won't know
 What hit you
 You won't care
 I say you won't know
 What hit you
 You won't know
 What hit you man
 Aw fuck !
