Twilight World

Swing Out Sister

Twilight world
Twilight world

Time out, world in a hurry
There's more love than money changing hands
Lights out, thinking out loud
Turn your back on the world outside

Night thoughts no one can share
As darkness breaks through another day
Secrets, talking out loud
Silence waits just a dream away

Forget lonely crowds, unfriendly faces
They'll soon become familiar places
Before too long
Before too long

Don't be fooled by love songs and lonely hearts
You're living in a twilight world
Don't be fooled by love songs and lonely hearts
Don't give in to the twilight world

Time out, world in a hurry
There's more love than money changing hands
Lights out, thinking out loud
Turn your back on the world outside

Forget lonely crowds, unfriendly faces
They'll soon become familiar places
Before too long
Before too long

Don't be fooled by love songs and lonely hearts
You're living in a twilight world
Don't be fooled by love songs and lonely hearts
Don't give in to the twilight world

Ba-ba, ba-ba, ba-ba-ba, ba-ba, ba (Ooh)

Oh, ba-doo, ba-doo-do, oh

Don't be fooled by love songs and lonely hearts
You're living in a twilight world
Don't be fooled by love songs and lonely hearts
Don't give in to the twilight world
Don't be fooled by love songs and lonely hearts
You're living in a twilight world
Don't be fooled by love songs and lonely hearts
Don't give in to the twilight world
