Girl, hold my hand

That I've been waiting for a long, long time
Think every thing's gonna turn out fineHey, hey, it's alright

Hey, hey, my, my, my
Hey, hey, yeah, yeahGirl, treat me kind
And girl, I think you'll find
That no one can love you better than me
Close your eyes and I think you'll seeHey, hey, it's alright

It makes me laugh inside
All the girls that I ain't kissed
Just to keep my pride

We've found something we can't fight
Don't think twice it'll be alright nowHey, hey, it's alright
