Leash Called Love

The Sugarcubes

BjÃ¶rk
You love him
You want to make him happy
He loves you
He wants to humiliate you
He's a bastard!
You should leave him!
Paranoid manipulator,
To hell with him.
He's dragging you
Along..
On a leash called love.
He controls you.
You should do him in
Before he gets to you.
Watch out girl.
He's dragging you
Along..
On a leash called love.

Einar
You have torn me, inside out.
Nothing but, a nervous wreck.
You have got me, on a leash,
You whip me with, a leash called love..
I've lost all sense of direction, you make me a victim
To your friends' nasty remarks, and I don't know how
I survive, I can no longer
Distinguish from, right or wrong,
Sane insane, whip me back,
Back and forth, paranoid.
Leash called love..
