

Cruise

NoClue

Baby you a song

You make me wanna roll my windows down and cruiseHey babyYeah, when I first saw that bikini top on her

Shes poppin right out of the South Georgia water

Thought, "Oh, good lord, she had them long tanned legs"

Couldnt help myself so I walked up and saidBaby you a song

You make me wanna roll my windows down and cruise

Down a back road blowin stop signs through the middle

Every little farm town with you

In this brand new Chevy with a lift kit

Would look a Hell of a lot better with you up in it

So baby you a song

You make me wanna roll my windows down and cruiseShe was sippin on southern and singin Marshall Tucker

We were falling in love in the sweet heart of summer

She hopped right up into the cab of my truck and said

"Fire it up, lets go get this thing stuck"Baby you a song

You make me wanna roll my windows down and cruise

Down a back road blowin stop signs through the middle

Every little farm town with you

In this brand new Chevy with a lift kit

Would look a Hell of a lot better with you up in it

So baby you a song

You make me wanna roll my windows down and cruiseWhen that summer sun fell to its knees

I looked at her and she looked at me

And I turned on those KC lights and drove all night

'Cause it felt so right, her and I, man we felt so rightI put it in park and

Grabbed my guitar

And strummed a couple chords

And sang from the heart

Girl you sure got the beat in my chest bumpin

Hell I cant get you out of my headBaby you a song

You make me wanna roll my windows down and cruise

Down a back road blowin stop signs through the middle

Every little farm town with youBaby you a song

You make me wanna roll my windows down and cruise

Down a back road blowin stop signs through the middle

Every little farm town with you

In this brand new Chevy with a lift kit

Would look a hell of a

lot better with you up in it

Come onBaby you a song
You make me wanna roll my windows down and cruise
Come on girl
Get those windows down and cruise
Aww yea
