Can't Let Go

Bryan Ferry

Well, I rush out blazin' My pulse is racin' As the rain streams down my faceThere's no turning back now To fight with fate Outnumbered an' out of placeThey said,"Go west young man, that's best It's there you'll feel no pain" Bel-Air's okay if you dig the grave But I want to live againCan't let go There's a madness in my soul tonight Can't let go Must stop ridin' like the stormCan't let go Will I run out of control tonight? Can't let go Until every trace is goneIt's a winding road from Cuesta way Down sunset to the beach Though Canoga Park is a straight safe drive It's too far outta reachBut now the headlights are flashin' by so fast All directions seems the same And the windscreen wipers keep a beat repeatin' You can't let go againWhat's in a name on the street tonight I'm only a face in the crowd I'm all in the dark and afraid tonight There's nowhere to run or to hideBut I can't let go, no, no, noSometimes the world outside'll take you in With just a smile And you're so blinded with desireA hundred sleepless nights have left me Wasted and so cold But I can take it I'm hangin' onCan't let go There's a madness in my soul tonight Can't let go Must stop ridin' it like the stormCan't let go Will I run out of control tonight? Can't let go Until every trace is goneCan't let go Can't let go Can't let go Can't let goCan't let go Can't let go Can't let go Can't let go
