Round Are Way

Oasis

The paper boy is working before he goes
Lying to the teacher he knows, he knows
He didn't and he should've
Brought his lines in yesterdayErnie bangs the sound and the day begins
The letterbox is open and your cash falls in
I'll meet you at the office
Just before the staff clock inRound are way the birds are singing
Round are way the sun shines bright
Round are way the birds sing for yer
The already know yerThe game is kicking off in around the park
It's twenty five a side and before it's dark
There's gonna be a loser
And you know the next goal winsCab it to the front as it's called a draw
Everybody's knockin' at yours once more
Ernie bangs the sound
And no one's spoken since half past fourRound are way the birds are singing
Round are way the sun shines bright
Round are way the birds are minging
Round are way it's alrightRound are way the birds sing for you
'Cos the already know yer
They already know yer
