Looking all pretty in her Fendi shades

Then she went on to tell me that she love my truck

I got my lady at home but what the fuck

Here you go, take my number and hit me up

[J:]

Girl, I don't mean to be pushy but what is your name

Can I have your number, can I see you again

[BM:]

If you don't mind me asking, what you doing tonight

Can you link me at the club, aight!

Keep it tight cause

[Chorus:]

[J:]

We party hard and we ball (we ball)

We hit them up and they fall (they fall)

I love the shorties who be all thong up

She wan' me hit it up against the wall

Some boy wan' roll deep and sell dem soul

This is Beenie Man must sell platinum no gold

This is how we roll

[J:]

First class cribs

First class rides
Big ass honey sitting by my side
[BM:]
First class honeys want to roll with me
Cause Jamaican thugs roll VIP
[J:]
Candlelight scented bubbles in her tub
Nothing but coke bottles poppin' in the club
[BM:]
Five-star restaurant, table for two
You get nothing but the best when you roll with my crew
[J:]
We can party all night, we got chips to burn
Tracey and her friends will be taking turns
[BM:]
Slammin' and fun that's how we live everyday
That's the way we players play
Zagga zagga zay
[Chorus:]
[J:]
We party hard and we ball (we ball)
We hit them up and they fall (they fall)
I love the shorties who be all thong up
She wan' me hit it up against the wall
(Holla at me dogs!)
[Repeat]
[BM:]
This a one hear name
One mil, two mil, three mil, four
Did my last tour and make three mil more
Beenie Man shopping in designer stores
House on the hill with cherrywood floors
One girl, two girl, three girl, four
Three more exes stalking my door
Honeys be acting real insecure
I'm well loved among the ladies on tour
[Chorus:]
[J:]
We party hard and we ball (we ball)
We hit them up and they fall (they fall)
I love the shorties who be all thong up
She wan' me hit it up against the wall
(Holla at me dogs!) [Repeat]
