Like a Knife

Bill Wyman

Your love just cuts me like a knife
You're the funkiest thing that ever came in my life
Your love just cuts me like a knife, but that's alright
The funkiest thing that ever came in my lifeI believe everything you say
Baby, I don't care, I'll go for it any old way
You're working on the knife age plan for time, but that's alright
If you say I'm gonna be yours and babe, you're gonna be mineYour love just cuts me like a knife
You're the funkiest thing that ever came in my life
Your love just cuts me like a knife, but that's alright
The funkiest thing that ever came in my lifeYou're sharper than a cut from razor
You cut me up just to have your way with me
Don't you know I'm a real heart breaker, but that's alright
Just tie me up for life and never ever set me freeYour love just cuts me like a knife
You're the funkiest thing that ever came in my life
Your love just cuts me like a knife, but that's alright
The funkiest thing that ever came in my lifeWorking on the knife
Working on the knife edgeYou're working on the knife age plan for time, but that's alright
If you say I'm gonna be yours and babe, you're gonna be mineYour love just cuts me like a knife
You're the funkiest thing that ever came in my life
Your love just cuts me like a knife, but that's alright
The funkiest thing that ever came in my lifeWorking on the knife
Working on the knife edge, knife edgeYour love just cuts me like a knife
You're the funkiest thing that ever came in my life
Your love just cuts me like a knife, but that's alright
The funkiest thing that ever came in my lifeYour love just cuts me like a knife
You're the funkiest thing that ever came in my life
Your love just cuts me like a knife
