

Coming Clean

Green Day

Seventeen and strung out on confusion
Trapped inside a roll of disillusion
I found out what it takes to be a man
Now Mom and Dad will never understand
Secrets collecting dust but never forget
Skeletons come to life in my closet
I found out what it takes to be a man
Now Mom and Dad will never understand
What's happening to me?
Seventeen and coming clean for the first time
I finally figured out myself for the first time
I found out what it takes to be a man
Now Mom and Dad will never understand
What's happening to me?
