

# Love Story (Jason Nevins Remix)

Taylor Swift

We were both young when I first saw you  
I close my eyes  
And the flashback starts  
I'm standing there  
On a balcony in summer air  
See the lights  
See the party, the ball gowns  
I see you make your way through the crowd  
You say "hello", little did I know  
That you were Romeo, you were throwing pebbles  
And my daddy said stay away from Juliet  
And I was crying on the staircase  
Begging you please don't go, and I said  
"Romeo take me somewhere we can be alone  
I'll be waiting all there's left to do is run  
You'll be the prince and I'll be the princess  
It's a love story baby just say yes"  
So I sneak out to the garden to see you  
We keep quiet 'cause we're dead if they knew  
So close your eyes  
Escape this town for a little while  
'Cause you were Romeo, I was a scarlet letter  
And my daddy said stay away from Juliet  
But you were everything to me  
I was begging you please don't go and I said  
"Romeo take me somewhere we can be alone  
I'll be waiting all there's left to do is run  
You'll be the prince and I'll be the princess  
It's a love story baby just say yes"  
"Romeo save me, they're trying to tell me how to feel  
This love is difficult, but it's real  
Don't be afraid, we'll make it out of this mess  
It's a love story baby just say yes"  
Oh oh oh oh I got tired of waiting  
Wondering if you were ever coming around  
My faith in you was fading  
When I met you on the outskirts of town, and I said  
"Romeo save me I've been feeling so alone  
I keep waiting for you but you never come  
Is this in my head? I don't know what to think"  
He knelt to the ground and pulled out a ring and said  
"Marry me Juliet, you'll never have to be alone  
I love you and that's all I really know  
I talked to your dad, go pick out a white dress  
It's a love story baby just say... yes"  
Oh, oh, oh, oh  
'Cause we were both young when I first saw you.
