'Til I'm Laid To Rest

Buju Banton

'Til I'm laid to rest, yes

Always be depressed

There's no life in the West

I know the East is the best

All the propaganda they spread

Tongues will have to confessI'm in bondage living is a mess

I've got to rise up alleviate the stress

No longer will I expose my weakness

He who seeks knowledge begins with humblenessWork 7 to 7 but I'm still penniless

All the food upon my table Massa God bless

Holler for the needy and shelter less

Ethiopia awaits all prince and princess'Til I'm laid to rest, yes

Always be depressed

There's no life in the West

I know the East is the best, yes

Propaganda they spread

Tongues will have to confessWhat coube so bad about the East, everybody wants a piece

Africa for Africans, Marcus Mosiah speak

Unification outnumbers defeat

What a day when we walk down Redemption StreetBanner on heads Bible inna we hands

One and all lets trod the promised land

Buju go down a Congo stopped in Shashamane Land

The city of Harare where Selassie come fromIn Addis Ababa then Batswana

Left Kenya end up in Ghana

Oh, what a beauty my eyesight behold

Only Ethiopia protect me from the cold'Til I'm laid to rest, yes

Always be depressed

There's no life in the West

I know the East is the best

All the propaganda they spread

Tongues will have to confessOrganize and centralize come as one

Our seeds shall be so many more than sand

Some new and replenish pure and clean heart

For too long we've been under this bandSome a save a bag a riches, yet they die empty hand

Go on saying I'm stupid and laugh all you can

Easier for a camel to go through a needle eye

Than a rich man to enter a Zion

Take it from I man

So'Til I'm laid to rest, yes

Always be depressed There's no life in the West I know the East is the best

All the propaganda they spread

Tongues will have to confessI'm in bondage living is a mess

I've got to rise up alleviate the stress

No longer will I expose my weakness

He who seeks knowledge begins with humblenessWork 7 to 7 but I'm still penniless

All the food upon my table Massa God bless

Always be depressed

There's no life in the West

I know the East is the best
