Flo Rida

Ill be putting in down in a minute
how long will it take before you screamin my name oh baby
we should rip off our clothes and get naked i'll be like oh yeah
you be like oh yeah party out popin here makin her sweat for a little peticure up on my chest and we gunna

a little bit of sweat wont hurt
if it really hot gunna wet your skirt
a little bit of sweat wont hurt

as soon as we leavin the club
if you wanna cut and i wanna cut theres nothing more to discuss

ill be puttin it down in a minute
how long will it take before you screamin my name oh baby
we should rip off our clothes and get naked
ill be like oh yeah youll be like oh yeah

makin her sweat
for a little peticute up on my chest
and we gunna sweat sweat sweat

hey lo-lo-lo-lo-lo-lo-lo-look at ya lady we could take it from the bed to the couch to the floor to the stove get so so creative

rip rip rip it off x-rated
sh-shawty we should get naked
baby girl thats if you can take it
sip a little champagne and get bated
Heyyy, I wonna be your bling, bling right I?ll give you my ling ling
No time oh girl in the back of the range
I?ll beat like that and make you scream my name
So much cheek it could touch the plain
Look ? ?, let them rock with pain
Be my leash I want your brain with them feet pretty much like brain
Su-such a mess put ur pedicure on my chest
shawty your feelin to get blessed
in a minute ill need my head rest
i don?t want you to fight it, you like it then lets get excited
I?ll drop like a pilot, take it off ? ? the value
