

My Everything

Raze

When I'm lookin' in Your eyes, I see me
And all the things that we can be
I am nothing without You
And if You search my heart, You'd believe it's true I'll always love You, I'll always care for You
I'll always love You, You are my everything Look at me and You will see
A man who loves faithfully
I wanna give You what You see when You dream
And when I look at You, I know dreams come true I'll always love You, I'll always care for You
I'll always love You, You are my everything
You are my everything Yes, You are, it's plain to see what You mean to me
You're my dreams in reality
As I stand here now, I make this vow
To hold on and never let go, yeah, yeah You are my everything, I'll give You anything
Always be here
You are my everything
The love and the joy You bring show You care You are my everything, I'll give You anything
Always be here
You are my everything, my heart as an offering
I'll proudly give, I'll give I'll always love You, I'll always care for You
I'll always love You, You are my everything
I'll always love You, I'll always care for You
I'll always love You, You are my everything
You are my everything, You are my everything When I'm lookin' in Your eyes
When I'm lookin' in Your eyes
When I'm lookin' in Your eyes When I'm lookin' in Your eyes
When I'm lookin' in Your eyes
When I'm lookin' in Your eyes
When I'm lookin' in Your eyes
