In My Darkest Hour

Symphony X

I've been betrayed
By the angel of death
And the serpent who stole her last breath.
Feeding the flame
Though I pray for the best
I prepare for the worst, just the same.
Dominator - Subjugator
Locked in an apocalypse gazeDesecrator - Devastator
Set my world ablaze
In my darkest hour - with "thy kingdom's power"
Hear my song and hear my plea
Put the pieces back together - nothing lasts
Forever
My darkest hour - let it be...
Grant my request
Dark-some master of pain
Incarnation of all that's profane.
Without a prayer
Under six black wing's flutter
And six mouths of screaming despair.Born a liar - Falsifier
Trapped in this damned infernal maze
Crucifier - born of Fire
Set my world ablazeIn my darkest hour - with "thy kingdom's power"
Hear my song and hear my plea
Put the pieces back together - nothing lasts forever.
My darkest hour - let it be...
In my darkest hour
With "thy kingdom's power"
Hear my song and hear my plea
Put the pieces back together
Nothing lasts forever.
My darkest hour - let it be...In my darkest hour
With "thy kingdom's power"
Hear my song and hear my plea
Put the pieces back together
Nothing lasts forever.
My darkest hour - let it be...
