Bad Things (as heard on True Blood)

Jace Everett

When you came in the air went out
And every shadow filled up with doubt
I don't know who you think you are
But before the night is through
I wanna do bad things with youI'm the kind to sit up in his room
Heart sick an' eyes filled up with blue
I don't know what you've done to me
But I know this much is true
I wanna do bad things with you, okayWhen you came in the air went out
And all those shadows there filled up with doubt
I don't know who you think you are
But before the night is through
I wanna do bad things with you
I wanna do real bad things with youI don't know what you've done to me
But I know this much is true
I wanna do bad things with you
I wanna do real bad things with you
