Drip Drop

Dion Di Muci

Drip drop, Drip drop...
Now only heaven knows
How I really feel inside
I try my best not to let it show
But late at night, In my room
I think of you and start to cry
You know that I'm emotional
But still you break my heart
Let's make no mistakes
We both know that
You're the one responsible
For hurting me this way
Now my tears fall like rain
Drip drop
When will my tear drops stop
Falling for you? Don't know what to do
Tick tock
Steady as a clock, Drip drop
I'm hoping someday soon
I'll be over you - Drip drop
When will my tear drops stop
Falling for you? Don't know what to do
Tick tock
Steady as a clock, Drip drop
I'm hoping someday soon
I'll be over you
It's a quater after twelve
I know I should be in bed
Boy you got me feeling sorry for myself
I must confess, this loneliness is killing me
I'm so upset
How could you break all your promises
Like you told me, You'd be there to hold me
I can not believe the way I fell for it
I was a fool to buy all the lies you sold me

Drip drop
When will my tear drops stop
Falling for you? Don't know what to do

Tick tock
Steady as a clock, Drip drop
I'm hoping someday soon
I'll be over you - Drip drop
When will my tear drops stop
Falling for you? Don't know what to do
Tick tock
Steady as a clock, Drip drop
I'm hoping someday soon
I'll be over you
Maybe we were never meant to be
I'm sorry that it took so long for me
To see what's happening
You come around and then it rains again
Drip drop...
when will they stop
Drip drop
When will my tear drops stop
Falling for you? Don't know what to do
Tick tock
Steady as a clock, Drip drop
I'm hoping someday soon
I'll be over you - Drip drop
When will my tear drops stop
Falling for you? Don't know what to do
Tick tock
Steady as a clock, Drip drop
I'm hoping someday soon
I'll be over you
It's raining, It's pouring
I try hard ignoring these tears
I try so hard, Ignoring the tears
It's raining, It's pouring
I try hard ignoring these tears
