

The End Is The Beginning Is The End

The Smashing Pumpkins

The sewers belch me up
The Heavens spit me out
From ethers tragic I am born again
And now I'm with you now
Inside your world of wow
To move in desires made of deadly pretends
Till the end time's begin
Is it bright where you are?
Have the people changed?
Does it make you happy you're so strange?
And in your darkest hour, I hold secret's flame
You can watch the world devour in it's pain
Strange
Climb my ribcage to
The replays run for you
Unhook my lights to peek behind the flesh
For I am crystal chrome
And I am shatter dome
And I am gremlin' King of angels avenged
To destroy the end
Is it bright where you are?
Have the people changed?
Does it make you happy you're so strange?
And in your darkest hour, I hold secret's flame
You can watch the world devour in it's pain
The Zeppelin's rain upon us
The guns of love disastrous
A shadow lies amongst you
To defy the future cast
Is it bright where you are?
Have the people changed?
Does it make you happy you're so strange?
And in your darkest hour and I hold secret's flame
You can watch the world devour in it's pain
Strange, strange
