

# Firefly

## Hot Buttered Rum String Band

Fly firefly

When I said go I never meant away  
You ought to know the freaky games we play  
Could you forgive and learn how to forget  
Hear me as I'm calling out your name

Firefly come back to me  
Make the night as bright as day  
I'll be looking out for you  
Tell me that your lonely too  
Firefly come lead me on  
Follow you into the sun  
That's the way it ought to be

Firefly come back to me

Fly firefly

You and me we shared a mystery  
We were so close like honey to the bee  
And if you tell me how to make you understand  
I'm minor in a major kinda way

Firefly come back to me  
Make the night as bright as day  
I'll be looking out for you  
Tell me that your lonely too  
Firefly come lead me on  
Follow you into the sun  
That's the way it ought to be

Firefly come back to me

Fly firefly through the sky  
Come and play with my desire  
Don't be long don't ask why

I can't wait another night

Fly firefly through the sky

Wait another night

Don't be long

Fire fire firefly

Firefly come back to me  
Make the night as bright as day  
I'll be looking out for you  
Tell me that your lonely too  
Firefly come lead me on

Follow you into the sun  
That's the way it ought to be  
Firefly come back  
Firefly come back to me  
Make the night as bright as day  
I'll be looking out for you  
Tell me that your lonely too  
Firefly come lead me on  
Follow you into the sun  
That's the way it ought to be  
Firefly come back to me
