

# Happy Girl

## Beth Nielsen Chapman

I used to live in a darkened room  
Had a face of stone and a heart of gloom  
Lost my hope, I was so far gone  
Crying all my tears with the curtains drawnI didn't know until my soul broke free  
I've got these angels watching over meOh watch me go  
I'm the happy girl, everybody knows  
That the sweetest thing that you've ever seen  
In the whole wide world is a happy girlI used to hide in a party crowd  
Bottled up inside, feeling so left out  
Standing in the corner wearing concrete shoes  
With my frozen smile and my lighted fuseNow every time I start to feel like that  
I roll my heart out like a welcome matOh watch me go  
I'm the happy girl, everybody knows  
That the sweetest thing that you've ever seen  
In the whole wide world is a happy girlLaugh when I feel like it  
Cry when I feel like it  
That's just how my life is  
That's how it goesOh watch me go  
I'm the happy girl and I've come to know  
That the world won't change just 'cause I complain  
Let the axis twirl I'm the happy girlOh watch me go  
I'm the happy girl, everybody knows  
That the sweetest thing that you've ever seen  
In the whole wide world is a happy girlOh yeah, yeah, yeah, yeah, yeah  
I'm the happy girl  
Oh yeah, yeah, yeah, yeah, yeah  
I'm the happy girl
