

Contronatura (Kid Loco's Prelude To The Autumn O

Stereolab

My dearest friend you can,
My dearest friend you can,
You can get well,
You can heat up,
You can heat up get well surely you can
My dearest friend don't go,
My dearest friend don't go,
Don't go to war,
Don't choose to go,
You will not win down the the cursed path
Of war
This is the future of an illusion
Aggressive culture of despotism
Living fantasy of the immortal
The reality of an animal
