

# Behind Those Eyes (Minus One)

## Panky Trinidad

Your shadow lies a bit too long  
Across my path  
And it bleeds too much  
On blue gray gutters and fireflies  
Black and cold into my shoes  
Turn my skin blue  
A little spider crawling up to weave  
Around my heart a moonlight web[chorus]  
When you see my eyes  
Does your heart receive these words in mind  
When you close your eyes  
Do you see me and these dreams I hide?  
If I could steal one thing  
I would grab your heart and make it mine  
Your heart Little thoughts and feelings  
Found behind those eyes  
I refuse to know the truth  
To know the reason why  
You and I can never be I try to build a wall  
Try to heal the hurt inside  
But it pains me even more to know that  
Its too late Im too late[repeat chorus]Coz I can see your face  
Everytime I gave those skies  
Then I cry  
Coz it feels so right  
But you can never be mine[repeat chorus 2x]Does your heart receive these words in mind?  
Do you see me and these dreams I hide?  
I would grab your heart and make it mine
