## Austin Mahone

Turn your radio up, Turn your radio up  
Ain't no other Shawty I've heard of baby,  
Put a million on that that that that,  
I took my world and gave you half of it baby,  
I pray I'll never get it back back back back.

I love your style,  
I love your smile,  
I love your eyes,  
They look like diamonds to me!  
But you could have it all,  
All of it baby,  
In your favorite store blowin' stacks stacks stacks.

Cus I know that all my dreams  
Are coming true yeah  
And I know-ow-ow-ow-ow-ow  
I'll never feel the way I feel girl,  
With you oh baby you yeah you,  
You oh baby you yeah you,

I'll go up and get a star for you baby  
Pick it out and bring it back back back back  
I'm glad you opened up your heart for me baby  
I ain't lying that's a fact fact fact fact

I remember us sitting up late in my one bedroom apartment  
Memories runnin' thru my head head head head  
You're the only one that I want if you were to leave me  
I don't know what I would do instead stead stead stead  
Cus I love you I love you  
Even if I'm tempted  
I swear I'll never put none of them others above ya  
I hope I can get along with your big brothers  
Cus I'm in it for the long hard like truckers  
Party in love and the purple label kisses, just give me a minute  
And I'll be making you my Mrs.  
We can look exquisite, trips to the pacific  
Look up in the sky like look M
