On & On

SoMo

When I'm out on the road and I call you at home
All alone with a phone in your hands
Tellin' me you're ready to go
You can't breathe the air I breathe anymore
It's a chore, it's a chore, it's a chore
Chore, chore, chore
Then I finally scream and you're begging me please
Like a tease in her teens
And I mean the kind that give you reason to breathe
Then you go and try to prove a point
By doing meaningless things
Then you stopOn and on we go
On and on and on
And on and on and on we go
What we fighting for baby, baby?I'll take the wrap right now
Blame it on me
It's a waste of time
Let it all be
In the name of love
On and on and on and on
I'll take the wrap right now
Blame it on me
It's a waste of time
Let it all be
In the name of love
On and on and on and onWe've been up, we've been down
Like a storm in a cloud
In a drought and our love is the rain
We just need to let it all out
You and me ain't something we need doubt
Take a vow, take a vow, take a vow
Vow, vow, vow
I can finally see that a beautiful queen
And a life full of meaningful things
Can bring you more than brief little flings
With the girls in a world
Who care more about just making a scene
So I stopOn and on we go
On and on and on

And on and on and on we go
What we fighting for baby, baby?I'll take the wrap right now
Blame it on me
It's a waste of time
Let it all be
In the name of love
On and on and on and on
I'll take the wrap right now
Blame it on me
It's a waste of time
Let it all be
In the name of love
On and on and on and onOpen up your heart, open up this door
I don't wanna fight
Open up your heart, open up this door
Don't wanna fight anymore
On and on and on, on and on we go
Oh whoa
On and on and on, on and on we goI'll take the wrap right now
Blame it on me
It's a waste of time
Let it all be
In the name of love
On and on and on and on
I'll take the wrap right now
Blame it on me
It's a waste of time
Let it all be
In the name of love
On and on and on and on
On and on and on and on
