My Cricket

Leon Russell

I was just thinking about you today in the evening
Slipped in
I tried to get through to you
Find words to say to you darling, looks so far awayOh no, I'm not crying, these ain't tears in my eyes
Oh, I'm so happy, I'm dying with laughter
If you're lonely, come over, oh, I'm sure that you'll see
We're not lonesome, my cricket and meOh no, I'm not crying, oh, these ain't tears in my eyes
Oh, I'm so happy, I'm dying with laughter
And if you're lonely, come over, I'm sure that you'll see
We're not lonesome, my cricket and me
Oh, we're not lonesome, my cricket and me
