

Intro

Lyfe Jennings

The Phoenix

The PhoenixAye yo what's good?

Man, this ya guy Lyfe Jennings, once again, man

I just want to start off by sayin', 'Thank you'

To everybody who supported meWhether them buying the album or telling somebody else

That I had something positive, something substantial to say

I just wanted to point out that a lot of cats will be coming

Into the middle of the story on this album twoSo if something seems out of context

It's probably because you don't have album one

So if you don't have album one, go get it

And if you already got album number one, go get it

And if you already have album number one, go get it again
