

I Don't Think So

Kelis

You think you might have a chance
I don't think so
You telling me to be nice
I don't think so
You wanna get in my pants
I don't think so
I don't think so
I don't think so
You think you might have a chance
I don't think so
You telling me to be nice
I don't think so
You wanna get in my pants
I don't think so
I don't think so
I don't think so
I can see it in your eyes
You talk to me like I'm your prize
But I don't want you in my life, alright?
And I think you know that
I know what I really need
And trust me, you're not at my speed
But I don't want you in my life, alright?
You should know by now that
You think you might have a chance
I don't think so
You telling me to be nice
I don't think so
You wanna get in my pants
I don't think so
I don't think so
I don't think so
You think you might have a chance
I don't think so
You telling me to be nice
I don't think so
You wanna get in my pants
I don't think so

I don't think so
I don't think so
You can try
You can lie till you die
You and I?
No, no, I don't think so
Sorry you don't have a clue
And I don't have the time for you
Got my eye on someone else tonight
And I think you know that
I'm the only force on me
But you keep living make believe
Got my eye on someone else tonight
You should know by now that
You think you might have a chance
I don't think so
You telling me to be nice
I don't think so
You wanna get in my pants
I don't think so
I don't think so
I don't think so
You think you might have a chance
I don't think so
You telling me to be nice
I don't think so
You wanna get in my pants
I don't think so
I don't think so
I don't think so
You can try
You can lie till you die
You and I?
No, no, I don't think so
