Don't Let Me Down

Skin

You always say
I want too much
Is it such a crime
To want more than your lust
Oh baby
Why have you frozen nowI can't conceive
The way this feelsYou've grown so cold
like you're counting the tears
Oh, baby
Why have you frozen nowAnd you say it doesn't matter
We'll always be
The best of friendsDon't let me down x4I've always said
I can't abuse
Your lust for life
And the choices you choose
Oh, baby
Why have we broken nowAnd you say it doesn't matter
We'll always be
The best of friendsStill i need you
To stay right hereDon't let me down x4OohDon't let me down x4
