

# No Worries

## Blueperro

[Danny:] We ran past strawberry fields and smelt the summertime  
When it gets dark I'll hold your body close to mine  
And then we'll find some wood and hell we'll build a fire  
And then we'll find some rope and make a swinging tyre  
[Tom:] Captivated by the way you look tonight  
The light is dancing in your eyes, your sweet eyes  
[Danny:] It's times like these we'll never forget  
Stayin out to watch the sunset  
I'm glad I shared this with you  
Cause you set me free  
Show me how good my life could be  
How could this happen to me? Yeahhhohhh  
[Tom:] And then I'll swing you girl until you fall asleep  
But when you wake up you'll be lyin next to me (ba ba ooo)  
We'll go to Hollywood, make you a movie star (movie star)  
I want the world to know how beautiful you are  
[Danny:] Captivated by the way you look tonight  
  
The light is dancing in your eyes, your sweet eyes yeah  
[Tom:] It's times like these we'll never forget  
Stayin out to watch the sunset  
I'm glad I shared this with you  
Cause you set me free  
Show me how good my life could be  
How did you happen to me? Yeahhhohhh  
[Danny:] There are no secrets to be told  
Nothing we don't already know  
(bum bum bum)  
[Tom:] We got no fears of growin old  
We got no worries in the world  
[All:] Ba Ba Ba Da Ba Ba Da  
Ba Ba Ba Da Ba Ba Da Baaa Ba Da Baaaaa [x4]  
[short instrumental][break][chord][dougie laugh]
