

# Here Come The Bastards

## Primus

Here they come  
Here come the bastards  
I heard it from a confidant  
Who heard it from a confidant They're definitely on their way  
There's one with this idea  
Something about a hammer head shark  
Nosehairs and flatus Best keep your distance because  
Here they come here come the bastards  
Bury your head deep in the sand  
Anonymity is a virtue in this day and age Amazing hand dexterity  
Flagrant misuse of security  
Better run, run, run, run, run  
Run run run run, here they come.
