I'm Gonna Love You

Jestofunk

Angel in disguise, stories in his eyes
Love for every true heart that it sees
Was it just a lucky day that it turned to look my way
Or is it Heaven right before my very eyes
He showed me all new things, the shimmer of moonbeams
I was blind, but now he's helped me see
I was lost but now I'm found, his happiness surrounds
And now I find that my dreams can come true
'Cause I'm gonna love you for the rest of my life
I'm holding you safe here in this heart of mine
I can't live without you 'cause my soul would die
You know I'm telling the truth, I'll spend the rest of my life loving you
It didn't start this way, it happened just one day
You smiled at me and I saw you, differently
Now I'm a tremble just to be a part of you as we
Begin a life that's sure to never end
'Cause I'm gonna love you for the rest of my life
I'm holding you safe here in this heart of mine
I can't live without you 'cause my soul would die
You know I'm telling the truth, I'll spend the rest of my life loving you
Rest of my life, yeah, loving you
