

War Paint

Blood Red Boots

You look so pretty
I am so possessed by you.
Just such a goddess
I am so consumed by you. You pin me down, with just a look.
Oh tell me why I'm full of hate.
But full of love.
Oh tell me why I'm so afraid but so alive.
Heart's stopping in 1 2 3...Go. My mind keeps winding.
You and the night got me all wrapped. My spirit crumbles.
I will be inhaled by you.
