

Falling (Ft Alex G)

[Tyler Ward](#)

If I could only read your mind
To understand what you are thinking
I'd take a step back into time
But that it is me, I'm only dreaming Well, can I stand the fear of walking
Will I disappear and walk away
But let it be for another day again 'Cause I'm falling down again
And I do not know the reasons
That I'm falling down again, again I close my eyes and wonder why
I can't put this all together
I want to let you go this time
But the addiction's growing stronger
The fighting's getting harder Can I stand the fear of walking
Will I disappear and walk away
But let it be for another day again, yeah 'Cause I'm falling down again
And I do not know the reasons
That I'm falling down again, again And only time can heal this pain
But just make it through another day Yeah, yeah, yeah, whoa, whoa And I'm falling down again
And I do not know the reasons
That I'm falling down again, again And I'm falling down again
And I do not know the reasons
That I'm falling down again, again
