Stop

[Spice Girls](#)

You just walk in, I make you smile
It's cool but you don't even know me
You take an inch, I run a mile
Can't win, you're always right behind meAnd we know that you could go and find some other
Take or leave it or just don't even bother
Caught in a craze, it's just a faze
Or will this be around forever?Don't you know it's going too fast?
Racing so hard you know it won't last
Don't you know, why can't you see?
Slow it down, read the sign so you know
Just where you are goingStop right now, thank you very much
I need somebody with the human touch
Hey you, always on the run
Gotta slow it down baby, gotta have some funDo do do do, do do do do
Do do do, always be together
Ba da ba ba, ba da ba ba
Ba da ba, stay that way foreverAnd we know that you could go and find some other
Take or leave it 'cause we've always got each other
You know who you are and yes, you're gonna break down
You've crossed a line so you're gonna have to turn aroundDon't you know it's goin' too fast?
Racing so hard you know it won't last
Don't you know, why can't you see?
Slow it down, read the sign so you know
Just where you are goingStop right now, thank you very much
I need somebody with the human touch
Hey you, always on the run
Gotta slow it down baby, gotta have some funGotta keep it down honey, lay your back on the line
'Cause I don't care about the money, don't be wasting my time
You need less speed, get off my case
You gotta slow it down baby, just get out of my faceStop right now, thank you very much
I need somebody with the human touch
Hey you, always on the run
Gotta slow it down baby, gotta have some funStop right now, thank you very much
I need somebody with the human touch
Hey you, always on the run
Gotta slow it down baby, gotta have some funStop right now, thank you very much
I need somebody with the human touch
Hey you, always on the run
Gotta slow it down baby, gotta have some fun
