Beautiful Mind

The Verve

A beautiful mind or a beautiful body
I know which one I'm gonna end upon
You say you will but you never promised thoughtsA smile and a hand mix like water with sand
As far as you're concerned
A road and a sign I know which one catches my eyesAnd I, thought I heard it for a while
Then it all came to me
Sometimes I just don't know I believe inDon't you want to know when I suffer
It doesn't show
A smile and a hand mix like water with sand don't you know?I was thinking about moving back home
I don't really need to live here
No no I didn't I could I'm sure I would if I knew that
I didn't I could I'm sure I would if I knew thatA smile and a hand mix like water with sand
As far as you're concerned
A beautiful mind or a beautiful body
I know which one, I'm gonna end upon end upon
