# The Letter

## The Veils

All the night her dream
passes by my bed
undeniable, and all she said
she wrote the letterhard to find love
since you arrived here
harder to find the love
then pull your body nearShe wrote the letter
downShe wrote the letter
down
I know I know I know
you felt a change in my heart
I know I know I know
the planets ripped you apart
I know I know I know
all the sins they knew no better
I know I know I knowall that I've lost
is bound to pass
dying to know
too afraid to ask
she wrote the letterHard to find love
when your a walking blind in here
go wash your heart in the river
till the water runs clear
she wrote the letter
downshe wrote the letter
downshe wrote the letter
downI know I know I know
you felt a change in my heart
I know I know I know
the planets ripped you apart
I know I know I know
when the sins all know no better
I know I know I knowLove, I just want to say it rightLove, I just want to say it rightGoodbyeGoodbyeGoodbye
