

Xavier (Dead Can Dance cover)

Paradise Lost

Fair Roseanna, your vagrancy's a familiar tale
Fraught with danger, the lives you led were judged profane
Hatred enfolds us
Inculcates the minds with its heresy
Laymen enfold us
Clemency arrives to set you free
Faith
Although Xavier has prayed
That life giving waters may rain
Down on the souls of man
To cure them all of their ways
These were the sins of Xavier's past
Hung like jewels in the forest of veils
Freedom so hard when we are all bound by laws
Etched in the seam of nature's own hand
Unseen by all those who fail in their pursuit of faith
Although Xavier has prayed
That life giving waters may rain
Down on the souls of man
To cure them all of their ways
And as the night turns into day
Will the sun illuminate your way
Or will the nightmares come home to stay
Xavier's love lies in chains...
These were the sins of Xavier's past
Hung like jewels in the forest of veils
