

# Come On Get Down

## Rock 'n' Roll Worship Circus

All you kids sell your toys  
Every girl every boy  
Buy a guitar, let's go'Cuz we all know  
That it's more fun to rock 'n' roll  
And jump around  
With a guitar alrightCome on come on  
Come on come on get down  
Come on come on  
Come on come on make a sound  
Come on come on  
Come on come onHey baby  
Take every worry that you have  
And throw it down  
When you hear the sound alright'Cuz we all know  
That God Himself made rock 'n' roll  
So that we'd know  
What the party is like up in HeavenCome on come on  
Come on come on get down  
Come on come on  
Come on come on make a sound  
Come on come on  
Come on come on
