

# If I Knew Then

## Lady Antebellum

The first time that I saw you  
Looking like you did  
We were young, we were restless  
Just two clueless kids But if I knew then what I know now  
I'd fall in love You're on a bus in Chicago  
Three rows to the left  
You know my heart is reaching for you  
But we never even met If I knew then what I know now  
I'd fall in love 'Cause love only comes  
Once in a while  
And knocks on your door  
And throws you a smile And takes every breath  
Leaves every scar  
Speaks through your soul  
And sings to your heart But if I knew then what I know now  
I'd fall in love On a summer night in august  
Backseat of my car  
Said I'm trying to get to know you  
I took it way too far But if I knew then what I know now  
I'd fall in love Whoa, 'cause love only comes  
Once in a while  
And knocks on your door  
And throws you a smile And takes every breath  
Leaves every scar  
Speaks through your soul  
And sings to your heart But if I knew then what I know now  
I'd fall in love Whoa, I used up a lot of chances  
But you give them back  
But if again it comes crawling  
I'm gonna make it last 'Cause love only comes  
Once in a while  
And knocks on your door  
And throws you a smile It takes every breath  
Leaves every scar  
Speaks through your soul  
And sings to your heart And if I knew then what I know now  
Whoa, if I knew then what I know now I'd fall in love
