

Paradise Alley

Chicago

Come on in, have a look around
Hang your hat and find a chair
The pretty women smile at you
The party's just beginning
There's music everywhere

Paradise alley

Paradise alley

Paradise alley

Brothers got to stick together here
Fight with one, you fight with three
The family blood is thick as mud
Day to day the world keeps spinning

Paradise alley

Paradise alley

Paradise alley

It reminds you of who you used to be
And who you are, and who you'll always be
It finds you in pursuit of dreams

And hopeless schemes

Life is richer than it seems

Nothing like being in a woman's arms

The one you love, the one you want

There's one small problem, who can she be

I feel like winning her in paradise alley

Paradise alley

Paradise alley

I'm gonna take you there

Paradise alley

Paradise alley

I'm gonna take you there

Take you to the paradise
