

Break on Through (to the Other Side)

The Doors

You know the day destroys the night
Night divides the day, tried to run, tried to hide
Break on through to the other side
Break on through to the other side
Break on through to the other side Yeah, chased our pleasures here
Dug our treasures there, still recall the time we cried
Break on through to the other side
Break on through to the other side
Break on through, yeah alright Yeah, everybody loves my baby
Everybody loves my baby
She get, she get
She get, she get high, yeah I found an island in your arms, country in your eyes
Arms that chain us eyes that lie
Break on through to the other side
Break on through to the other side
Break on through, yeah alright Yeah, made the scene week to week, day to day, hour to hour
The gate is straight deep and wide
Break on through to the other side
Break on through to the other side
Break on through, break on through
Break on through, break on through Oh yeah, hey, hey, oh, hey, oh, hey, hey
Oh, hey, hey, oh, hey, oh, hey, oh, yeah
