

# Northern Wind

## Eliwagar

You're the Northern Wind  
Sending shivers down my spine  
You're like fallen leaves  
In an autumn night  
You're the lullaby  
That's singing me to sleep  
You are the other half  
You're like a missing piece  
Oh my love  
Oh my love  
Oh my love  
You don't know  
What you do to me  
You are all four seasons  
Rolled into one  
You're like the cold December snow  
In the warm July sun  
I'm the jet black sky  
That's just before the rain  
Like the mighty current  
Pullin' you under the waves

Oh my love  
Oh my love  
Oh my love  
You don't know  
What you do to me  
I'm the darkest hour  
Just before the dawn  
And I'm slowly sinking  
Into the slough of despond  
Like an old guitar  
Worn out and left behind  
I have stories left to tell  
They're of the healing kind  
Oh my love  
Oh my love  
Oh my love  
If I could just

Find you tonight  
If I could just find you tonight  
    Oh my love  
    Do do do (x 5)
