

# Stupid Over You

## Screeching Weasel

Madonna I'm in love  
It dosen't make too much sense  
But when I saw you on TV  
This sounds so ridiculous  
But I can't help the way I feel  
When I look at your chubby face  
Sandra I don't understand  
How you always do it  
The world's most lucky man is either Jerry Lewis or David Letterman  
I wish I was your late night man  
Cause I get so stupid over you (x4)  
Even though you're big and famous in movies and MTV  
Can't the three of us go out and see midget wrestling  
Cause hanging out with you  
Would definately be my dream come true  
Cause I get stupis over you
