Sunrise

4 Strings

Sunrise

It's time to stop this thing believe
Here's another day
Sunrise!

Sunrise, time to leave it all behind
The sun rise again
Sunrise I can feel behind closed eyes
Sun rise again

Sunrise
Sunrise
The sun rise again

I need you, I want you sunrise
You've got to be wrong
Caress me, save me sunrise
Turn my life alone

It's time to stop this thing believe
Here's another day
Sunrise!

Sunrise, time to leave it all behind
The sun rise again
Sunrise I can feel behind closed eyes
Sun rise again
