

Think About Me (2015 Remastered)

Fleetwood Mac

All it took was a special look
And I felt I knew you before
I didn't mean to love you
Didn't think it would work out But I knew we would be together
And I couldn't wait for more
But what can they say
It's not against the law I don't hold you down
Maybe that's why you're around
But if I'm the one you love
Well think about me I believe that you really want me
But it's not easy, just to give in
So let yourself go and let love begin I don't hold you down
Maybe that's why you're around
But if I'm the one you love
Well think about me I don't hold you down
Maybe that's why you're around
But if I'm the one you love
Well think about me Baby, once in a while
Now think about me
Baby, once in a while
Think about me Baby, once in a while
Don't you think about me
Every, every once in a while
Think about me
