

# Are We Dreamin' the Same Dream

Gary Stewart

Are you feelin' the same way  
Thinkin' 'bout me everyday?  
Do you hurt the way that I do  
Baby, I'm in love with you When I'm sleepin' by myself at night  
(Sleepin' alone)  
Without you it just don't feel right  
Do you know what I mean  
Are we dreamin' the same dream? Knew when I saw you  
Deep down in my heart  
Everything I'm feeling  
Was right there from the start (I knew it was only)  
I knew it was only  
(Just a matter of time)  
Just a matter of time  
(And I'm wonderin')  
Now you got me wonderin'  
What you've got on your mind Are you feelin' the same way  
Thinkin' 'bout me everyday?  
It hurt the way I do  
Baby, I'm in love with you And when I'm sleepin' by myself at night  
(Sleepin' alone)  
Without you it just don't feel right  
(Without you it don't feel right)  
Do you know what I mean  
Are we dreamin' the same dream? Knew when I saw you  
Deep down in my heart  
Everything I'm feeling  
Was right there from the start (I knew it was only)  
I knew it was only  
(Just a matter of time)  
Just a matter of time  
(And I'm wonderin')  
Now you got me wonderin'  
What you've got on your mind Are you feelin' the same way  
Thinkin' 'bout me everyday?  
It hurt the way I do  
Baby, I'm in love with you When I'm sleepin' by myself at night  
(Sleepin' alone)  
Without you it just don't feel right

(Without you it don't feel right)  
Do you know what I mean  
Are we dreamin' the same dream?
