Love Comes To Everyone

Eric Clapton

Go do it, got to go through that door
There's no easy way out at all
Still it only takes time
'Til love comes to everyoneYou, who it always seems blue
It all yeah, never rains but it pours
Still it only takes time
'Til love comes to everyoneThere in your heart
Somethin' that's never changin'
Always a part of
Something, it's never aging
That's in your heartIt's so true, it can happen to you all
Just knock and it will open wide
And it only takes time
'Til love comes to everyoneThere in your heart
Somethin' that's never changin'
Always a part of
Something, it's never aging
That's in your heartIt's so true, it can happen to you all
Just knock and it will open wide
And it only takes time
'Til love comes to everyoneIt can happen to you all
Just knock and it will open wide
And it only takes time
'Til love comes to everyone
