

Swing Set

Jurassic 5

So hot, so hot
This is the sound of the 30's One, two, one, two, three, four Gather round all you rug tatters
Because we're going to show you
What swing is all about
Oh yeah? Yeah
Yeah? Yeah These great sounds should not be left to gather dust
You might dig out that old 78 Doo dee doot n', doo deet doot n'
Doo dee doot n' ah ha ha ha Hi ex-swingers, don't be a wimpy, go way out
Do you wanna dance?
Yeah Swing, all hands on deck
Love that, yeah, ooh Okay everybody on the swings The sound of the swing era
Kind of scratchy after all these years
If only it sounded like this What you probably remember was more like this
Ooh ooh ooh ooh bada da da daa aaa So hot
And will fill me up
Ooh yeah, swing time in the old corral
